About Us

Hagan's Towne Insurance Associates, Inc. , since its inception in 1987 in Doylestown, PA., is a customer-focused full service Independent Insurance Agency which understands that continued commitment to our family of clients is the key to our sustained success. Our commitment is to provide you with a comprehensive insurance program that affordably protects your hard earned possessions.

We begin your protection at the point of sale by conducting an in-depth risk analysis unique to your insurance needs. We identify your particular areas at risk, review the strengths and weaknesses of each of the many insurance companies we represent, then carefully design a competitive insurance program that has been personalized for your specific insurance needs. This approach not only reduces the likelihood of unprotected loss potential, but also saves your valuable time and money.

-

WE WORK FOR YOU, WE DO NOT WORK FOR AN INSURANCE COMPANY. Compared to captive agents who work only for the insurance company they represent. We are an independent insurance agency that represents over 25 different insurance companies. We research with these companies to find you the best combination of price, coverage and service.

-

Honesty, integrity, fair claim resolution and prompt service have been, and remains the basis for our success. We are licensed professionals with strong customer and community ties.

-

Customer satisfaction is the key to our continued success. So, serving you is our most-important concern. We assist you when you have a claim. We periodically review your coverage to keep up with your changing insurance needs.

-

We have over 100 years of combined insurance experience working for you to help solve your complex insurance issues. Our office is equipped with advanced automated technology which provides accurate record keeping and prompt service for our customers.
